

## Cooker hob Milanello 5F - 7682 000

Cooker hobs

Code: 7682 000

### DETAILS

Material	AISI 304 stainless steel
Texture	Satin
Supply	220-240 V; 50.60 Hz
Edge/Installation Type	Flush-mount   Top-mount
Dimensions	803x513 mm
Base size	80cm
Heating element	Five burners
Built-in hole	View technical data sheet (for all Flush-mount / Top-mount models and Under-mount models)
Grids	Cast iron grids and enamelled burner covers

Total power 10.250 W

---

Auxiliary 1.000 W

---

Semirapid 3x1.750 W

---

Triple crown 4.000 W

---

Safety Safety valve with quick-acting thermocouple

---

Ignition Electric ignition under knob

---

Gas type Tested for installation with natural gas, LPG nozzle set included.

---

Type Gas Hob

---

## FEATURES

**Cast iron grids** Cast-iron is the ideal material for an hob grid, this due to the manifold properties characterising it: high heat capacity that improves cooking performance; high weight and stability that improve safety; sturdiness that preserves the hob's original aspect over time; easy cleaning.

---

**Precise Power** Flat burners with PrecisePower system: great control in flame-settings. Maximum precision in regulating the flame, thanks to the 10 pre-set levels of the PrecisePower system. And as a benefit, the nice and ultra-low look of the new Flat burners.

---

**Safe cooking** All Foster cooker hobs are equipped with safety valves. They shut off the gas supply very quickly if the flame accidentally goes out.

---

**Special burners** Many Foster hobs are equipped with special burners, with two or three rings of fire that greatly increase the power delivered and the heated surface. In the DUAL models the two fire crowns also have independent ignition, making these burners perfect for both intensive and delicate cooking.

---

## Ultra-flat hob

Design meets functionality in the the ultra-flat models. Elegant grids that form a generously sized overall surface.

## Under-knob ignition

The utmost freedom of movement with electronic under-knob ignition, a common feature of all models that allows a one-hand ignition of the burner.

## TECHNICAL DATA

- Built-in cut out for FTS – Foratura per installazione FTS

## OPTIONAL ACCESSORIES

Cast iron wok support 9601 727
